Vintage 2014

Spring was particularly dry and hot, with vegetative growth starting very early, from the end of March. These very favourable conditions lasted until the end of June, bringing about hasty vine flowering during the first week of June, then rapid swelling of the grapes, which reached the stage of fully-formed bunches by 1st July, some 2 weeks ahead of normal. The months of July and August were much cooler and damper, which slowed vine development.

At the end of August, then throughout the month of September, the weather remained dry, hot and sunny, allowing good grape ripening.

The harvest started at the domain on 15th September and ended on 1st October in the Hautes-Côtes, in ideal conditions.

The weather profile is very close to that of the 2011 vintage and the wines naturally show a lot of similarities: these are wines of intense colour, with well-integrated tannins thanks to complete ripeness and acidities that are mid-range, enhancing roundness on the palate. Aromas are precise and the character of each *climat* well defined.

All things considered, a vintage that is well-balanced, easy to appreciate in its youth, but with nevertheless an ageing potential of some ten years.

THE Burgundy Briefing.

Sarah Marsh, Hiver 2015

A lifted pure aroma.. pure and rippling, silky and elegant...fine minerality and tension. It hits that trebble note...pure and singing....salty finish. Love it. Score 16.5

Wine Spectator

Wine Spectator, June 2017

It is elegant and racy, with basic flavors of cherry, accentuated by numerous notes of spice, mixed with oak, reminiscent of sandalwood, a touch of vanilla and toast. Long spicy finish. 90 points

Allen Meadows, 15/01/2016, Issue 61

The highly expressive nose consists of notes of wood toast and menthol along with cool red currant and violet scents. Here too there is an attractive mouth feel to the precise and even stonier middle weight flavors that possess a dusty, balanced and utterly delicious finish. Note that this should drink well young.
